A Shriners excursion train was wrecked in California Sunday and 21 of the passengers were killed and many others injured. There were nearly 300 Shriners on the train.

A prince was born to the royal house of Spain at noon last Friday and all Madrid is wild with joy. The boy has been named Alfonso. Queen Ena Victoria was an English princess to whom King Alfonso was wedded May 31, 1906.

Foraker has repudiated the Boss Cox harmony program in Ohio and will fight it out with Taft for the control of the State delegation.

The wheat speculators put wheat up to a dollar in Chicago Monday and it is believed that conditions justify its remaining at that figure.

A New Hampshire sheriff has appointed two women deputies to enforce the laws against cruelty to animals and children. The poor hen pecked husbands must worry along without any special protection.

Congressman Joe Rhinock's daughter has just notified her father that she has been married since December to John Richwood, a Harvard student. Papa forgave them and will take them on tour to Europe.

The Supreme Court of the United States has reversed the Kentucky Court of Appeals in a case from Laurel county involving the construction of the "C. O. D." law as applied to express companies in local option districts. The decision in effect declares that liquors under the interstate commerce law, can be shipped from one State into another and delivered into prohibition districts, in spite of State laws forbidding it.

John B. Brasher defeated Rev. D. S. Edwards for the Democratic nomination for Representative in the primary in Hopkins Monday by a majority of about ninety votes, after one of the hardest-fought battles in the history of the county for any office. Mun Wilson, who made such a sensational race for the same nomination two years ago, received about eighty votes this time. John Brasher's victory is one that he has reason to be proud of. It shows that he has lost none of his old time strength and vigor as a campaigner. He will undoubtedly take a prominent place as a leader in the next house.

## Crockett-Russell.

Mr. Albert P. Crockett and Miss Bessie Russell were married yesterday morning at nine o'clock and left immediately for a bridal tour to New York. It was a quiet home wedding, witnessed by but a few friends.

# FESTIVAL. NEXT WEEK.

The Biggest Musical Event  
of the Entire  
Season.

## TWO MORE VOCALISTS.

Chorus of 850 Voices Will  
Be Something Never  
Heard Before.

This is the last week before the big May Music Festival and every minute of the remaining time will be devoted to getting everything in shape.

Chorus rehearsals will be held every afternoon and night from now until Tuesday of next week, the opening of the festival under the efficient leadership of Prof. George R. Mayo, the choruses have developed into organizations which will contribute most materially to the success and pleasure of the occasion.

The difficult Parsifal music has been thoroughly mastered and the children's chorus is equally proficient in their part.

Manager McPherson has finally rounded out his list of professional soloists for the occasion.

Zoe Pearl Parke, an American girl with a wonderfully powerful and sweet Contralto voice, and Forrest Dabney Carr, the celebrated Basso Contante of the New York Metropolitan Theatre, having sent in their signed contracts. This now gives four famous vocalists, in addition to the two named above them being Alfred D. Shaw, the English Tenor, and Virginia Litemann, Soprano.

People generally are just beginning to realize the scope of the Music Festival. It will be the first time that an event of such magnitude has ever been attempted outside the larger cities, and the festival here will be equal in every way to those given in Louisville, Cincinnati and Nashville.

Rates for the event will be 50c for general admission or 75c and \$1.00 for reserved seats.

For a mild easy action of the bowels, a single dose of Doan's Regulets is enough. Treatment cures habitual constipation. 25 cents a box. Ask your druggist for them.

Christian county is entitled to thirteen delegates, who will be instructed to vote for W. H. Southall, one of the five candidates, who is Christian county's candidate and the only one from the Second district. His prospects are very bright, as he is conceded to be one of the contending candidates. The convention will be called to order by County Chairman James West.

All Democrats are urged to attend.

## FIVE GRADUATES.

And Diplomas will be Presented Tonight.

The closing exercise of the Pembroke Graded school are being held this week and will conclude to-night with the annual commencement exercises proper. Hon. A. O. Stanley will deliver the class address, after which five graduates will be given diplomas.

## BROKEN PRESS

Caused the Delay in Tuesday's Paper.

A series of mishaps made the Kentuckian miss the mail Tuesday, something that has not happened often with the paper during the 28 years it has been published. The installation of a new engine delayed the printing of the paper until late Monday evening and just as the work was well under way an accident to the press caused a break that was not repaired until noon Tuesday. The delay was particularly annoying, as it was the last issue before the contest closed.

## KNOCKED OUT.

Steve Moseley Will Not Plant  
a Crop.

Mr. Stephen P. Moseley, of Roaring Springs, was in town Tuesday telling about the destruction of his plantbeds by "night riders." He says they scraped 900 yards and dug a grave in his plant bed, and made it impossible for him to attempt a crop this year. He had intended planting 35 acres. Mr. Moseley says he thinks he knows who scraped his beds. He will make a good witness before the Trigg county grand jury, if an investigation of night riders is entered into.
